

Keller Williams Listing 2

Virtually no detail has been overlooked in the recent renovation of this desirable red brick ranch, including new a/c, new furnace, new stamped concrete walkways, new electric, AND new plumbing. This turn-key charmer features 2 beds and 1 bath, with brand new luxury vinyl plank flooring and tall, contemporary baseboards throughout.

The kitchen features timeless white cabinetry with brand new stainless steel appliances, an undermount stainless steel sink, gray quartz countertops, a porcelain tile backsplash, and under cabinet lighting to create a sophisticated ambiance. The living room benefits from loads of natural light through floor-to-ceiling windows that overlook the back patio. Recessed lighting and updated fixtures create the perfect atmosphere any time of day.

The bathroom also impresses with a jetted tub, tile surround, rain shower, recessed lighting, AND a heated floor. An attached, heated garage right off the kitchen will make winter excursions a breeze, and a partially renovated basement with potential for even more usable square footage contains a new washer, dryer, and laundry basin with faucet.

A block down the street from a vast array of retail, grocery, and dining establishments, you are a mere minute's walk from a sprawling forest preserve complete with mature trees, plentiful wildlife, and scenic trails perfect for hiking and biking.
