

Keller Williams Listing 4

Indulge in resort-lifestyle living in your new 2 bed/1 bath Four Lakes condominium, boasting a vast array of unique amenities and conveniences no other community in the western suburbs has to offer.

This desirable corner unit with floor-to-ceiling windows lets in substantial light, featuring a cozy corner fireplace and updated kitchen with large maple cabinetry, black appliances, and an attractive tile backsplash. A new tile floor and surround are featured in the brightly lit bathroom, and two generously sized bedrooms contain ample closet space.

A large, private patio is great for coffee in the morning, and is surrounded by lush landscaping, mature trees, and the sounds of nature. Walk down to the convenience store to grab a snack, or hit up the community pub for a drink and a bite to eat.

Additional amenities include a ski hill (YES, a SKI HILL!), sand volleyball courts, swimming pools, tennis courts, walking and biking paths, picnic areas for summer evening BBQs, a fishing lake, and boat rentals that are free to residents! It is quite literally your own private resort where every day can be a vacation. Located in a pet-friendly building, this unit is close to a variety of additional restaurants, shopping, schools, the expressway, and presents a smart investment opportunity.
